

Inspire youth to pursue their dreams

Volunteer for JA's Business Basics - Our Business World

Junior Achievement of British Columbia is looking for volunteers to teach our business education programs. Encourage 10-12 year-olds to “think big” and create an imaginary business! Teach grade 5-7 students the things that every company needs (management, employees, a plan, and output), and lead fun activities to help them learn the concepts. You'll make four 1-hour visits to a school in your community.

We're looking for people who can help students:

- Brainstorm cool ideas for a make-believe company
- Have fun learning business concepts through stories and activities
- Explore different kinds of careers and jobs
- Learn the importance of teamwork and communication

Do it for fun and personal satisfaction:

- Get students excited about business, and what they want to be “when they grow up”
- Exercise your presentation, coaching and team-building skills
- Learn something new from the kids!

Volunteer with a world-recognized leader of business education programs for youth. We provide the orientation, materials and support to make your volunteer experience fun, meaningful and easy to deliver.
