

Mentor the next generation of business leaders

Volunteer for JA's Business Basics - A Business of Our Own

Remember your first lemonade stand?

Junior Achievement of British Columbia is looking for volunteers to teach our business education programs. Show students how to become successful entrepreneurs. You and the teacher will work together to guide a group of grade 6, 7 or 8 students (12 to 14 years old) to create and run their own retail stand. You'll make five 1-hour visits to a school in your community. The exact dates and time of the program are flexible and can be arranged to fit both of yours and the teacher's schedules.

We're looking for people who can help kids:

- Brainstorm and organize a simple retail stand
- Creatively market and promote their sale
- Learn the importance of teamwork and communication
- Understand the value of good business practices

Do it for fun and personal satisfaction:

- Get students excited about business, and what they want to be "when they grow up"
- Exercise your presentation, coaching and team-building skills
- Learn something new from the kids!

Volunteer with a world-recognized leader of business education programs for youth. We provide the orientation, materials and support to make your volunteer experience fun, meaningful and easy to deliver.
