

Motivate students with your experience

Volunteer for JA's Titan Business Game

Junior Achievement of British Columbia is looking for volunteers to inspire our next generation of business people. Show teenagers how to “call the shots” and manage their own virtual company! Share your business advice with a class of high school students (16 to 18 year-olds, grades 11 & 12). Help them play JA Titan, a web-based business game where every titan of industry has a strategy to manufacture and sell fantasy ‘Holo-Generators’ in a race against imaginary competitors. You’ll make 8 weekly one-hour visits to a school (during school hours) in your area and partner with the teacher to run the game. Come on your own or bring a colleague to help.

We’re looking for people who can make the game ‘come alive’ and help students:

- Analyze financial reports
- Solve production, pricing and marketing challenges
- Investigate capital investment and R&D opportunities

Do it for fun and personal satisfaction:

- Get students excited about entrepreneurial careers
- Help students learn key business concepts
- Use your presentation, coaching and team-building skills
- Network with colleagues and JA volunteers
- Coach student teams in Biz Challenge competitions

Volunteer with a world-recognized leader of business education programs for youth. We will provide the orientation, materials and support to make your volunteer experience fun, meaningful and easy to deliver.
