

### Camp BB Mission

Junior Achievement of London & District is offering a fun approach to basic business skills.

Camp B.B. (Business Basics) has been designed in response to numerous requests from parents to provide a summer camp where their children can learn practical skills while having fun!

With the use of hands on activities, business community support and fun, we teach children the fundamental elements of business.

Each one-week session will give your child a deeper understanding of how business fits into their lives by offering:

- **An introduction to Business**
- **Entrepreneurial Experience**
- **Create and Market Products**
- **Teambuilding Exercises**
- **Outdoor Activities**
- **Local Business Tours**
- **Guest speakers**
- **Volunteer Opportunities**

**AND** memories to last a lifetime!!!
