Company Program – A Student Venture

▲ Grades 9-12

▲ Age: 13-19

Program Length: Approximately 23 weeks

Student Commitment:

Program Duration: Approximately 23 weeks

Goals of the Company Program are to:

- Provide an experiential supplement to business & economic education of students to help them better understand how businesses are organized & operated
- Help students develop critical thinking, speaking, & leadership skills
- Demonstrate the rewards of the free enterprise system
- Introduce to career opportunities and teach basic workforce-readiness skills
- Foster a positive relationship between youth & the business community

Students will:

- Organize & operate their own business enterprise
- Learn how to raise capital by selling shares of stocks
- Prepare a business plan & financial statement
- Declare & distribute dividends & issue a report to shareholders
- Liquidate and prepare a final report for shareholders
- Pay out salaries, commissions, bonuses and dividends

The **Company Program** gives students (called Participants) the *opportunity* to acquire basic *business knowledge*, relevant *work experience* & to develop *interpersonal skills* in a unique learning environment. In accepting the challenge & responsibility of operating their own business, Participants will discover the rewards of teamwork, commitment & individual initiative. Individual & collective efforts are recognized & rewarded. For the **Participant Management Team**, the opportunity exists to experiment with new management techniques & approaches to motivation. Guided by business advisors, the young people meet after school one night a week over a 23-week period. Every aspect of owning & operating a business is covered: developing a business plan, organizing, managing & liquidating a company.
