Dollars With Sense

▲ Grade 7 ▲ Program Length: 6 one hour sessions (once a week) OR 2 half day sessions

The Dollars with Sense module focuses on three major themes: Skill Development, Money Management & Job Opportunity. Through these workshops, students begin to understand the inter-relationship of these themes & how they can affect personal decisions. Students learn the importance of investing in themselves.

Links to Current Education Curriculum:

- ▲ Language & Communication
- ▲ Mathematics
- ▲ Guidance & Career Planning

The Dollars With Sense program revolves around five central lessons:

▲ Lesson One: The Story Of Me

Students visually display their lives and goals for the future.

▲ Lesson Two: All About Money

Learn about money as a means of exchange and compare a variety of personal banking options

▲ Lesson Three: Spending Wisely/ Shopping Wisely (Optional)

Identify sources of shopping information, identify advertising techniques and use them to promote a product.

▲ Lesson Four: Looking After Your Money

Describe why budgets are important, prepare a budget and examine the impact of compound interest.

▲ Lesson Five: Making Your Money Work

Learn different ways to invest money, investment terminology and advantages and disadvantages of various investment techniques.
