

JUNIOR ACHIEVEMENT'S

STOCK MARKET CHALLENGE

**Business leaders!
Get your corporate
team together and
show others how
the game is played!**

Underwritten by Corporate and Educational Sponsors

Join JA and business leaders.

JA is the leading provider of business and economic programs for youth and *Stock Market Challenge* is one of our most unique and exciting programs providing a hands on simulated business experience for the students.

This program nurtures the development of financial literacy, work readiness, decision making and team building cultivating the next generation of business leaders.

Experience all the energy and excitement of the stock trading floor in this simulated, high-energy event where strategy and split decisions are vital. This challenge creates the perfect environment for networking and team building with all proceeds supporting the **300 high school students** who had the experience in the afternoon.

**Thursday, March 11, 2010,
The Lamplighter Inn
Registration 5:30pm
Game 6 to 9pm**
