

## Company Program — A Student Venture

Hand over the keys to success. A prosperous community and strong economy is in the hands of our future entrepreneurs and leaders of well-managed companies. Company Program - A Student Venture inspires high school students to understand the role of business in our society by creating an enterprise of their own.

### Open Doors to Business Excellence

By collaborating with professional volunteer consultants to design, organize and operate a real business, student's experience how a small enterprise functions. These new entrepreneurs work within the structure of our Canadian economic system and realize the benefits it provides. Company Program - A Student Venture offers new possibilities for the next generation of successful start-ups.

- Discover the risks and rewards of starting a business
- Systematically solve actual business challenges
- Demonstrate the importance of ethical standards in business
- Foster positive relationships between youth and business communities

### Your Junior Achievement Experience

Like other Junior Achievement programs, Company Program - A Student Venture is curriculum-linked, student centered and skills focused. It can be delivered in-school or after-school in one or two-hour sessions over 12-22 weeks, at no cost to schools or groups.
