

Be an Entrepreneur...

Get the skills you need to succeed in your own business!

BE DIFFERENT • BE PREPARED • TAKE CONTROL OF YOUR FUTURE

The greatest challenge you'll face once you finish school is competing with other graduates for your very first "real" job! Are you ready? Can you compete? Take a minute. Think about it. You'll soon find out there's no better way than JA to...

Discover new career opportunities • Get ready for the world of work • Stand out and move ahead of the rest!

Company Program - A Student Venture is an exciting hands-on Junior Achievement program. Real-life business consultants join your group of peers to help you design, organize and operate a real company. It's your chance to step-up and take your turn at owning a business.

Pick an idea... form a leadership team... produce your product or deliver your service... then make a profit and celebrate the achievement of a successful venture!

Imagine being part of a Management Team. Imagine winning Company of the Year! Capture all of your experiences on your Personal Resume. You can even earn a Junior Achievement Scholarship!

Put your creativity, risk-taking and presentation skills to the test. This could be the best time investment you've ever made! ... and the best part is it's FREE!

Tell a friend, ask your parent/guardian, or ask your teacher about participating in Company Program - A Student Venture. For more information, call (902) 892-6066 or visit our website at www.japei.org.
