Dinner for Two Anywhere Around the World – Where will you go?

Winnipeg MB [January 18, 2010] - Junior Achievement of Manitoba is proud to launch its Dream Lottery for its third year in a row. The grand prize is dinner for two anywhere in the world. New this year are three early bird prizes, which include dinner and a one night stay at the Fairmont Hotel, Hotel Fort Garry, and a hotel through Destination Winnipeg. All proceeds generated from the lottery help support Junior Achievement programs throughout the Province.

For the grand prize, Junior Achievement will cover air fare for two, two night's accommodation in an upscale hotel in the city of choice, and breakfast and dinner at a restaurant in the city of choice. The early bird prizes have been generously donated from the Fairmont Hotel, Hotel Fort Garry, and Destination Winnipeg.

Early bird prizes are drawn on February 13 (for the Fairmont Hotel), March 26 (for the Hotel Fort Garry), and April 30 (for a hotel through Destination Winnipeg), with the grand prize draw date on June 11, 2010.

“The unique aspect of our grand prize is that the winner has so much choice” says Lisa Cefali, President and CEO of Junior Achievement of Manitoba. “Brazil, Greece, Egypt, or Australia, we’ll fly them anywhere!”

Junior Achievement will be selling only 2000 tickets, maximum, for its draw. Tickets for the 2010 lottery are 1 for \$50.00, 3 for \$100.00, or 6 for \$150.00. All proceeds from the lottery support Junior Achievement programs throughout the Province. To purchase your tickets, please call: (204) 956-6084.

Junior Achievement of Manitoba is a non-profit organization. Since 1963, with the help of advisors from Manitoba's business community, Junior Achievement has been providing Manitoba's youth practical, first-hand experience regarding financial literacy and free enterprise.
